This is the safety alert symbol. It is used to alert you to potential physical injury hazards.

SAFETY WARNINGS AND INSTRUCTIONS

PLEASE READ ALL SAFETY WARNINGS AND INSTRUCTIONS BEFORE USE TO AVOID INJURY.

These safety warnings and instructions cannot cover all possible conditions that could occur and users should exercise care and caution.

KEEP THESE SAFETY WARNINGS AND INSTRUCTIONS FOR FUTURE REFERENCE AS THEY CONTAIN IMPORTANT INFORMATION.

Intended Users

- *IQOS ORIGINALS ONE™ and HEETS™ are for adult-use only.*
- *IQOS ORIGINALS ONE™ and HEETS™ are intended for use by current adult smokers who would otherwise continue to smoke.*
- *Children and adolescents should never use IQOS ORIGINALS ONE™ or HEETS™ under any circumstances.*
- *IQOS ORIGINALS ONE™ or HEETS™ should not be used by people with reduced physical, sensory, or mental capabilities, or lack of experience and knowledge, unless they have been given supervision or instruction concerning their use and understand the risks involved.*

Tobacco and Nicotine

- *HEETS™ contain nicotine, which is addictive.*
- *IQOS ORIGINALS ONE™ and HEETS™ are not risk-free. The best way to reduce tobacco-related health risks is to quit tobacco and nicotine use altogether.*
- *Some users of IQOS ORIGINALS ONE™ and HEETS™ reported experiencing abdominal pain, chest pain, choking sensation, cough, difficulty breathing, dizziness, dry mouth, dry throat, gingivitis, headache, malaise, nasal stuffiness, nausea, mouth irritation, palpitations, throat irritation, and vomiting.*
- *Nicotine-containing products should not be used by people who have or are at risk of heart disease, are diabetic, are epileptic, or are experiencing seizures.*
- *Nicotine-containing products should not be used during pregnancy or while breast-feeding. If you are pregnant, breast-feeding, or think you may be pregnant, you should quit tobacco and nicotine use altogether.*
- *Stopping smoking or switching to IQOS ORIGINALS ONE™ and HEETS™ or other nicotine-containing products may require the adjustment of the dosing of certain medicines (e.g. theophylline, clozapine, ropinirole).*
- *If you have questions about whether you should use IQOS ORIGINALS ONE™ and HEETS™ given an existing health condition, consult a health care professional.*

⚠ IMPORTANT SAFETY INFORMATION

⚠ WARNING Choking and Ingestion Hazard

- Keep IQOS ORIGINALS ONE™ and HEETS™ out of reach of children at all times.
- **CHOKING HAZARD** — IQOS ORIGINALS ONE™ device, accessories and HEETS™ contain small parts.
- **INGESTION HAZARD** — If a HEETS™ is swallowed, seek medical attention immediately due to risk of nicotine intoxication.

⚠ WARNING Electronic and Battery Hazards

Electrical Risks

Failure to follow these Safety Warnings and Instructions could result in fire, explosion, electric shock, injury, or damage to the product or other property:

- Only Intended Users should use IQOS ORIGINALS ONE™.
- Only charge the IQOS ORIGINALS ONE™ with the approved IQOS ORIGINALS ONE™ model supplied in the box or available from your local or online IQOS™ stores for charging purposes. See the Technical Data section of this User Guide for a list of approved IQOS ORIGINALS ONE™ models.
- Do not use third-party accessories with IQOS ORIGINALS ONE™.
- Only charge the IQOS ORIGINALS ONE™ using Safety Extra Low Voltage. See the Technical Data section of this User Guide for details on voltage.
- Do not use IQOS ORIGINALS ONE™ where the use of electronic devices is prohibited.
- Only charge the IQOS ORIGINALS ONE™ indoors as indicated by the symbol .
- Do not use IQOS ORIGINALS ONE™ or charge the IQOS ORIGINALS ONE™ and/or IQOS ORIGINALS ONE™ accessories if they are damaged, tampered, or broken.

- . Do not use IQOS ORIGINALS ONE™ if its batteries appear to be leaking.
- . Do not use, charge, or store IQOS ORIGINALS ONE™ in places with high temperature (such as inside a car in summer, or near heat sources such as radiators or fireplaces).
- . Do not use IQOS ORIGINALS ONE™ where flammable materials, liquids and gases are present.
- . Never immerse or put IQOS ORIGINALS ONE™ or its accessories in contact with water and/or other liquids. Do not touch IQOS ORIGINALS ONE™ and/or its accessories if they become wet or immersed in any liquid.
- . Never dispose of IQOS ORIGINALS ONE™ and/or its accessories with other household waste, as it may come into contact with water and/or other liquids.
- . Do not clean the device with any cleaning agent.
- . Clean the USB charging port on the IQOS ORIGINALS ONE™ periodically to avoid accumulation of foreign matters (such as dust particles), and inspect USB port for foreign materials before using USB connector.
- . Disconnect IQOS ORIGINALS ONE™ and/or its accessories from any source of power if it overheats, fumes, ignites, or burns while charging.
- . Do not touch IQOS ORIGINALS ONE™ and/or its accessories if they do overheat, fume, ignite, or burn.
- . Close cap of the device after use to avoid accumulation of foreign materials (such as dust particles) in the heating chamber, and inspect the heating chamber for foreign materials before using HEETS™ tobacco sticks.

- Handle with care. Do not drop IQOS ORIGINALS ONE™ or subject it to strong shock.
- Do not attempt to open, service, modify, or repair any component of IQOS ORIGINALS ONE™ or to replace any of the components or batteries.
- Only use IQOS ORIGINALS ONE™ in ambient temperatures between 0° and 40° C.

Battery Risks

IQOS ORIGINALS ONE™ is powered with sealed Lithium-ion (Li-on) batteries. Under normal conditions of use, the battery is sealed.

- *If fluid from leaked battery is swallowed, seek medical attention immediately. Do not induce vomiting or ingest food or drink.*
- *If vapor from leaked battery liquid is inhaled, get fresh air and seek medical attention.*
- *If fluid from leaked battery is in contact with skin, wash hands and do not touch eyes.*
- *If fluid from leaked battery is in contact with eyes, immediately flush with running water for at least 15 minutes and seek medical attention immediately.*

⚠ CAUTION Thermal Burn Risk

Failure to follow these Safety Warnings and Instructions could result in thermal burns:

- *Store IQOS ORIGINALS ONE™ and HEETS™ in a clean, dry, cool place.*
- *Do not expose IQOS ORIGINALS ONE™ and HEETS™ to high humidity conditions or direct sunlight.*
- *Do not use HEETS™ that have been exposed to excessive heat or moisture.*
- *Do not remove a HEETS™ while in use.*
- *Never attempt to touch the IQOS ORIGINALS ONE™ heating blade.*

⚠ CAUTION Allergic Reaction Risk

- *Using IQOS ORIGINALS ONE™ and HEETS™ could cause an allergic reaction, such as swelling of the face, lips, tongue, gums, throat, or body, difficulty breathing, or wheezing.*
- *Stop using IQOS ORIGINALS ONE™ and HEETS™ and seek medical attention immediately if you experience any of the symptoms listed above as they may indicate a serious allergic reaction.*

EXCLUSIVE USE OF HEETS™

- *Only purchase IQOS ORIGINALS ONE™ and HEETS™ from your local or online IQOS™ stores or other authorized retailers.*
- *Only use IQOS ORIGINALS ONE™ with HEETS™. Never use IQOS ORIGINALS ONE™ with a cigarette or similar products that are not approved for usage with IQOS ORIGINALS ONE™. Doing so may result in injury.*
- *Do not modify HEETS™ in any way or add any substance to HEETS™. Doing so may result in injury.*
- *HEETS are one-use only and they shall never be reused, lit up with a lighter or a match, or any other fire source.*

Reporting of adverse events or incidents

- If you experience any unwanted health effect when using IQOS ORIGINALS ONE™ and/or HEETS™, consult a health care professional.
- You can report any adverse experience or incident directly by contacting your local Call Centre (details can be found in the Customer Care & Warranty booklet). By reporting adverse experiences or incidents, you can help provide more information on the safety of this product.
- For more information please go to www.iqos.com.

TECHNICAL DATA

Device:

IQOS ORIGINALS ONE™ Model M0011

Battery type: Li-ion rechargeable battery

Input: 5 V  2 A

The IQOS ORIGINALS ONE™ is marked with the symbol  followed by "Sxxxx" which indicates the IQOS ORIGINALS ONE™ can only be charged using one of the approved Power Adaptor models listed below.

Power Adaptor:

Model: S00120, S00121, S00125, S00122, S00123, S00126

Input: 100 V-240 V~ 50-60 Hz 0.3 A

Output: 5.0 V  2.0 A

Output power: 10.0 W

Average active efficiency: 79.0 %

No load power consumption: <0.09 W

Use with Charging Cable Type C

INFORMATION FOR DISPOSING OF IQOS ORIGINALS ONE™

This symbol on the product or on its packaging indicates that this product and its individual parts (including batteries) must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment  by bringing it to a designated collection point for the recycling of waste of electrical and electronic equipment. Waste batteries can be returned free of charge at the point of sale.

The separate collection and recycling of your waste equipment (including batteries) at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. Disposing of waste equipment as unsorted municipal waste (e.g. by waste incineration or land filling) can have negative effects on the environment and human health.

BATTERY REMOVAL INSTRUCTIONS (FOR DISPOSAL AND RECYCLING)

Batteries must not be removed by the consumer. At end of product life, only an authorized recycler may safely remove batteries by following the steps below.

IQOS ORIGINALS ONE™ Pocket Charger (A1505):

Step 1: The device should be fully discharged before disassembling it. Remove the cover, then remove the screw on both sides.

Step 2: Detach the charger from the hull.

Step 3: Unscrew to remove the retainer.

Step 4: Detach all FPC and connector to remove the charger PCB.

Step 5: Remove battery and dispose according to local regulations.

IQOS ORIGINALS ONE™ Holder (A1406):

Step 1: The device should be fully discharged before disassembling it. Remove the front housing from the holder.

Step 2: Remove the rear housing.

Step 3: Remove the power button from the holder.

Step 4: Remove the glue and solder to detach the battery from the middle part and frame. Middle part must cut open due to glue.

Step 5: Remove battery and dispose of according to local regulations.

Confirmation of Compliance

Hereby, Philip Morris Products S.A. declares that IQOS ORIGINALS ONE™ is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU. The official Declaration of Conformity may be found at: www.pmi.com/declarationofconformity

IQOS ORIGINALS ONE™ Model M0011 operates within the 2.402 – 2.480 GHz frequency band with a maximum RF output power below 10.0 dBm.

Designed and manufactured under the authority of Philip Morris Products S.A., Quai Jeanrenaud 3, 2000 Neuchâtel, Switzerland.
